

Our mission is to welcome, unite and promote businesses to enhance the quality of life in the region.

Why YOU should join the Chamber:

1. **NEW BUSINESS CONTACTS:** Members gain access to prospective customers by attending morning networking coffees, monthly luncheons, Chamber mixers and our other major annual events.
2. **REFERRALS:** The Chamber only recommends its members to business people, residents and tourists. Our area cities are exploding with new development, both commercial and residential. As people move into our area, you want to be in the know and part of the solution to their needs.
3. **EXPOSURE TO TWELVE CITIES AND COMMUNITIES AND THEIR BUSINESSES:** You will gain exposure to the business community of this region through Chamber Committees and marketing opportunities such as newsletter promotion, ribbon cuttings, advertising opportunities, business directory listings, listing on Chamber website and event sponsorships. The Wise County Chamber offers the largest reach within the county than any other local chamber.
4. **PUBLICATIONS:** Take advantage of our advertising options including our weekly eNews, Community Calendar and Online Membership Directory.
5. **MONTHLY AND SPECIAL EVENTS:** Business to business opportunities abound for companies who become involved in the Wise County Chamber of Commerce. The Chamber's variety of events include membership mixers, monthly membership luncheons, ribbon cuttings, Wise County Dinner with the Mayors, Superintendent Forum, Candidate Forum and Annual Awards Dinner.
6. **ECONOMIC DEVELOPMENT:** The forecast in growth for our community over the next few years is astonishing. Poise your business for the greatest level of success.
7. **COMMITTEE PARTICIPATION:** This is by far one of the best ways to network your business. By participating on committees, you will gain long-term business contacts and discover ways to grow profitably through solid customer relationships.
8. **LEGISLATIVE ACTION:** The working relationships within our community provides more vocal strength in local, state and national government issues. The Chamber will provide opportunities to hear and meet our government officials at our Wise Development Forum, Election Forums and Wise County Legislative Days in Austin.
9. **NETWORKING EVENTS:** The Chamber will coordinate events such as networking coffees or mixers throughout the year at different locales throughout the county. Come meet other business people in the community and hear chamber and city updates.
